DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The Applicants have canceled all previous claims and submitted all new claims adding the limitations suggested in the interview on 4/10/2007 specifically related to the characteristic vector. These added limitations have overcome all prior art of record. Further searching on these added limitations has yielded no viable pieces of prior art, which could be used to teach these added limitations. On that basis the Examiner finds this application to be in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
